Dear Tree-Planting Volunteer:

The NJ Tree Foundation would like to thank you for dedicating your time, talents, and muscle to planting trees with the *Newark Renaissance Trees Program* (NRTP). Together we transformed the Greater Newark Charter School Community Garden! With your hard work, we were able to plant 12 gorgeous trees in and around the garden.

Each and every volunteer did a fantastic job! This community tree planting project was a success due to your hard work and dedication. We welcome you at future tree planting events, all of which are posted at njtreefoundation.org. To check out photos from this event, please visit our [facebook album](#) and become a fan of the NJ Tree Foundation! We welcome you to share photos of your tree planting experience with us too!

If you enjoyed your experience with the NJ Tree Foundation and would like to share it with others, please feel free to post on our [Great Nonprofits Profile](#).

**Thank you again
for making a
difference through
tree planting!**

Thank you,

Elena López | Program Coordinator | 609.439.1755

Special Thanks to our Sponsors and Donors: USDA Forest Service, the City of Newark, TD Bank, AC Trees, GNCS, La Casa de Don Pedro, Walgreens of Newark, and N&K Variety Shop.
